

## Parent Commitment – Please Return

The continued success of the Tracy Triton Swim Club is based on several factors. One of the most important factors, parent participation, has been addressed by the Board of Directors and this year we have chosen to adopt a “Parent Commitment” with the ultimate goal in mind of 100% participation.

### Each family is required to volunteer a minimum of all of the following:

- A) Tracy Invitational Swim Meet – (1) two hour shift per day
- B) League Swim Meet – (1) two hour shift per day
- C) Non-league Swim Meet – (1) one shift as required by host team
- D) League Championships – (1) two hour shift per day
- E) Our Mini-meet is used as a learning tool for the swimmers and parents to become familiar with what participation is required during an actual swim meet. Please volunteer for one or more of the jobs required to run the meet so that you can get a feel for what jobs you would like to do during the other meets mentioned above.

Note: If your child is not swimming at a particular swim meet, you would not be required to volunteer to work at that meet.

Please indicate below which volunteer assignments you are interested in:

| <input type="checkbox"/> Meet Manager software | <input type="checkbox"/> Concession worker        |
| <input type="checkbox"/> Staging               | <input type="checkbox"/> Setup and Takedown       |
| <input type="checkbox"/> Wherever needed       |   |

If you are unable to volunteer for the above mentioned jobs, please contact the Board for other options.

The Board however has recognized that this active participation for some Triton families is not possible. Therefore the Board is offering a “buy-out” as an alternative to the extensive time commitment required to run a first class swim club like the Tritons.

### Buy-out option:

If a family chooses the option of a buy-out as an alternative to performing any volunteer work during the swim season, then they would pay the Tracy Tritons Swim Club a **non-refundable fee of \$250.00.** This fee is due in-full prior to the Tracy Invitational Swim Meet which is held over the Memorial Day Holiday.

If during the course of the swim season you fail to meet with the above obligations, the Tracy Triton Swim Club Board **will** be charging you the above mentioned buy-out fee of \$250.00.
