

The Tracy Triton Newsletter ~ April 14, 2008

To all the families that were affected by the short practice on Monday evening - sorry, this is something that should not have happened. This has brought an additional concern to our attention: Children waiting in front of the school unattended at night. Please have your child **wait in pool area** until they are picked up. The board would be more than happy to escort these children to the front of the school when closing up each evening at 8:45 PM.

Weekly Highlights:

- Team-wear is available to order at the pool each night until Saturday 4/19, see our website for an order form.
- You can purchase hot chocolate (.50) and Cup of Noodles (\$1.00) starting at the pool.
- Team suits can be order through Nor-Ski please call #925-560-9770.
- As always please arrive 15 minutes before designated practice time to allow your swimmers to participate in team stretching. This is vital to the health our swimmers and ultimately our team. Thank your for your cooperation.
