

The Tracy Triton Newsletter ~ June 17, 2009

It is time to remind all families about the league requirements for swimming at championships: A swimmer must compete (in 2-events) at 4 league meets to be eligible to swim at championships. We only have 4 swim meets left please make sure your swimmers have met their eligibility requirement. There is a print indicating how many meets your swimmer has participated in on the check out table for your convenience.

Summer Practice Schedule

1st practice 6 - 7 AM
2nd practice 7 - 8 AM
*3rd practice 5:15 - 6:15 PM

*3rd practice times are for our swimmers who are still in school or families who cannot make any other practice time. We will only have 8 lanes open to us at this time, so if necessary we will limit who can attend this practice.

** Please arrive 10 minutes early to check-in and participate in team stretching**
Please remember your fins!

Make sure your swimmers are checking in each day, this is important for their eligibility for relays!

Today was the last day to double check your Sea Dog Invitational entries, please remember to pay the invitational fees for your swimmer. We will post relays for this meet since we will only be running A & B relays.

Tomorrow (6/18) will be the final day to double check and initial your Manteca entries (no fees for this meet). We will be running as many relays as possible so we will not be posting any relays ahead of time. We will request all swimmers to report to the Tracy check in area for relay assignments, but in the morning and in the afternoon. We expect to have most kids swimming on a relay on Saturday.
